

A YACHT EXPERIENCE IN ALL FACETS

APRIL 16th/17th 2011 | 10 a.m.–5 p.m.

Enjoy the sea, nature, leisure time activities and celebrations on board of your own yacht. Many people harbour this dream. For us, fulfilling it has been our profession and vocation for over 40 years now. A particularly interesting way of doing this is our extensive offer of brokerage yachts – second-hand ships in top condition and at a great price/performance ratio. The unique opportunity of experiencing a huge selection of such ships up close, inspecting them in detail, and also for purchasing them, is now provided in the scope of our open house days. They offer a maritime feel all around. Our range comprises about 100 ships of all sizes, types and price categories. Most of them are waiting for your inspection in the pleasant atmosphere of our generous presentation halls right at the river Weser; many of them have the quality seal „Refit by Drettmann“. All of them are eye-catchers. Enjoy the flair and look forward to extras like our range of maritime accessories: anything one might want to wear and use on board, from highly fashionable skipper clothing to SAT aerials, and all at highly attractive prices. To get into the mood, we recommend reading our brokerage brochure that gives you an idea of the variety of our offers.

On Shore Excitement...

... is also catered for: The presentation of eight custom bikes created by the renowned House of Thunder and two spectacular Boss Hoss mega bikes will thrill you.

A special experience is waiting for you. We are looking forward to your visit!

With best regards,
Claudia and Albert Drettmann
