

DRETTMAN JOINS THE WORLD RECORD ATTEMPT

29 APRIL – 01 MAY 2011

Dear Yacht Fan,

The first ever „im Wasser Bootschau Bremerhaven“ will take place in our home port of Bremen – Bremerhaven from 29 April to 1 May.

It goes without saying that we will take that opportunity to present three of our top pre-owned yachts there, at Lloyd Marina im Jaich.

From our brokerage range, we will also be showing

an **Elegance 65'**,
an **Elegance 54'** and
the **Cruisers 3672**.

To view our complete and comprehensive selection of pre-owned vessels, please refer to the enclosed brochure „Drettmann Brokerage“.

30 April will be a great day for maritime enthusiasts: to celebrate the inauguration of the new Kaiser-schleuse lock, Bremerhaven will be staging the world's largest parade of sports boats. At least 300 vessels

have to take part to beat the existing record. We are looking forward to taking part in this event.

We shall do our best to set a new world record by contributing our **Elegance 65'** as a highlight of the parade.

We cordially invite you to visit us in Bremerhaven and look forward to seeing you there.

With best regards,
Claudia and Albert Drettmann
