

## DRETTMANN YACHTS MEETS BERENBERG POLO CUP AT SON COLL IN MAJORCA

Bremen, July 2011 – In the midst of the Tramuntana mountains, a world away from Majorca’s tourist areas, the Drettmann Yachts Polo Team will compete against the world’s top polo players in the annual Polo Cup in Son Coll from 21 – 23 July 2011.

The Berenberg Polo Cup, together with a fantastic supporting programme, is organised by Christian Völkers at his private finca Son Coll. Spectators can look forward to exciting thrills and spills as the teams and their polo ponies fight for the highly coveted Berenberg Polo Cup Son Coll Trophy.

The Drettmann Yachts Polo Team will compete for the first time this year and its passion, courage and tenacity are guaran-

teed to provide gripping scenes as it chases every single ball. „Tackling things with passion and always being on the ball are actually central aspects of our corporate philosophy here at Drettmann Yachts,“ comment Claudia and Albert Drettmann. This attitude not only links the couple with polo, but is also evident in the new, extraordinarily spacious yacht lines that Drettmann Yachts is currently building in cooperation with

its new partner Sunrise Yachts. Extraordinary is also an apt description of the Polo Cup in Son Coll, which regularly serves as a meeting-place for high society every year. This polo tournament is the only event in Europe that offers the fascinating combination of private atmosphere with a spectacular view of the Med. „That is why we are particularly looking forward to supporting our own polo team in Majorca,“ explain the Drettmanns.
