Bandido 90

The motor yacht "MOCEAN" is an impressive 2009 Bandido 90 that offers luxury and adventure in one. With its 2x 1100 HP MAN engines, it is powerful and ready for exciting transatlantic journeys. The hull of this yacht is made of steel, making it particularly sturdy and seaworthy, while the superstructure is constructed from aluminum, giving it a lightweight and stylish appearance.

With a total of three decks, the "MOCEAN" provides ample space to accommodate guests in exclusive comfort. The main deck features a spacious lounge and a dining area where you can savor delicious meals prepared by your private chef. The interior spaces are tastefully decorated, exuding elegance.

On the upper deck, you'll find a stunning sky lounge with panoramic sea views, where you can spend relaxed evenings with friends and family. The sundeck not only offers a generous sunbathing area but also an impressive view of the surrounding landscape.

The "MOCEAN" stands out not only for its luxury and elegance but also for its impressive range. It is perfect for transatlantic voyages, allowing you to explore distant destinations without compromising on comfort and amenities.

While this Bandido 90 may be smaller in pure length compared to some 35-meter yachts, it impresses with its versatility and its ability to venture into remote waters. The "MOCEAN" is ready to embark on new adventures and create unforgettable memories for you and your guests.

Refit

2023

Exterior

- Hull paint touch ups
- Repaired and repainted passerelle doors
- Windlasses Overhaul both gearboxes, new bearings, seals, oil and repaint
- Vinyl waterline added
- Added STARLINK Satellite internet antenna into dome on top deck
- 2x domes added on flybridge top
- New anchors and superswivels 2xHHP POOL N-anchors – WORTELBOER (190KG)
- Teak decks sanded and treated with SEMCO sealant
- Underwater moving parts treated with Prospeed
- Antifouling 4 layers (for 24 months) applied International Micron 350 (March'23)
- Polished hull and superstructure
- Liferrafts, LSA and FF system annual and 2-years survey done

Engineering

- Descaled complete A/C raw water cooling system
- Descaled and Flushed Main Engines cooling system
- Descaled and Flushed Generators cooling system
- Annual Main Engine service (September 2023)
- MAN Main Engines 4x Turbos overhauled
- MAN engines, fuel injectors serviced, intercooler and heat-exchanger removed, cleaned, tested and reinstalled (@4380 hrs, Nov 2023)
- Annual Service on Generators
- Generators Overhaul turbines
- Generators cylinder head compression ratio check
- Generators New Fuel injectors
- Generators Repaired exhaust muffler
- Generators checked valves clearance

- Stabilizers hydraulics installed cooling pump and reinvented raw water outlet for better performance and eliminating noises
- ABT TRAC Stabilizers Fins removed and replaced seals, bearings and fixed locking pins (5year service)
- Steering system hydraulics; retrofitted heat exchanger and pump for better oil cooling
- Watermaker redesigned raw water circulation system to eliminate flux noise on deck
- Garage new bilge pump and complete floor repaint
- Garage new air seal
- Garage door locking pins overhauled.
- Fixed Garage and gangway electronics and replaced defective sensors
- All valves checked and serviced, replaced 2 valves on sea water main intake manifold
- New electronic motherboards for the A/C system compressors.
- Pumps Grey and Black water overhauled.

Galley

- Refurbished woodwork

-

Bridge

- Installation of two new 19" touchscreen displays and TIMEZERO Navigator
- New Arylic sound system merged with original Bose system on all 3 decks (handle music from smartphone)
- Simrad transducer DST810 New
- New LCD TV
- Installation of WiFi range extenders TPLink Deco system
- Setup of anchor alarm and wind alarm mirroring to Crew Mess for Live monitoring

2020/2021

Exterior

- Respray hull Agate grey with Awlcraft 2000
- Touch up and re-spray various white superstructure spots
- Regalvanize both chains
- Sandblast underwater hull, and complete an epoxy barrier coat treatment with new antifouling
- Installation of new Seatel TV dome 'M9' Antenna for good coverage

- Installation of new TRAC Zero speed stabilisers with new hydraulic pump – very effective at anchor.
- Servicing of waterpumps, airconditioning sea water pump, exhaust valves, sea strainers
- Cleaning and recoating of freshwater tanks, blackwater tanks, greywater tanks
- Opening and cleaning day fuel tanks
- Replacement of shaft cutlass bearings
- Pulling both shafts and balancing the propellers
- Changing anodes
- Replacement of Low pressure watermaker pump
- Repainting the tender garage
- Installation of 4 new underwater lights
- New crewmess greywater pump system
- New hydraulic oil
- New alternators on both generators
- New battery charger for main engine
- New bearings in the ventilation fans
- Servicing of engines and generators
- New electronic motherboard for the airconditioning

Bridge

- Installation of new stabiliser control panel

- Installation of Simrad NSS Evo 3S touch screen plotter/radar
- New high speed printer/scanner
- Replacement of Boning Navigation light module
- Work on Boning system to remove bugs and issues
- New Minipluxe 3E Shipmodul for NMEA over wifi
- Setup of anchor alarm and wind alarm monitoring on crew mess computer

Interior

Bridge deck

- New flat screen TV in dining area
- New marble dining table
- New marble floor and countertops in bar area
- New sink and tap in bar area
- New carpet
- New upholstery on bridge sofa
- New captain's desk chair
- Redesigning, modernising and upholstering of the dining sitting area

Main deck interior

- New decorative table for pots and plants
- New carpet
- New sofa design and upholstery
- New TV
- New TV lift system
- New carpet around TV area
- New marble counter, sink and faucets in dayhead
- Revarnished dayhead

Galley

- New fridges x 2
- New freezer
- New Miele cooktop
- New hidden trash bin
- New island on wheels
- New flip up stewardess coffee extension
- New marble flip up counter top extension for cooking

Owner cabin

- New flat screen TV
- New carpet
- New marble floor in bathroom and countertop
- New sink and faucets
